

Constellation Cosplay

by Tim W.H. Brown

For each constellation, choose a specific cosplay and write it into the box provided. Each time you spot someone as that character, fill in one circle from that constellation. ☀️ A constellation is complete when all circles have been filled in.

Spotting the same person twice within the game's chosen time only counts once.

Whoever completes all of their constellations first, wins!

If no one has finished before the end of the Convention, the person with the most constellations complete, wins!

Tie breaker - fewest empty spaces to complete one more constellation.

Centaurus (21)

Orion (22)

Pegasus (13)

Hercules (15)

Lepus (8)

Equuleus (3)

Ursa Minor (7)

Phoenix (4)

Ursa Major (17)
